Students of the Week

Erin - Caring - Kindness is a virtue.

Maddison - Caring - Kindness is a virtue.

New Cupboards
We have our new cupboards in the Diamonds and Sapphire rooms. They look absolutely fabulous. A huge thank you to Scott, Rob and Roger who came in early yesterday morning and installed them. The new cupboards have certainly given a spruce up to the already beautiful Diamonds room.

The Channon Teams Day
Next Friday The Opals will be travelling by bus to The Channon Teams Day. I have contacted The Channon Public School and indicated our concern over activities provided for the younger students. Please ensure your child has returned their permission note. The school is subsidising the cost
for the bus. I would appreciate a parent to help with supervision on the day. Thanks.

Science Day
9th September

Selected students from the Big Scrub schools in stage 1 will be attending a science day held here at Jiggi. Mrs Langdon and Mrs Dobner will be planning something exciting and scientific.

Public Speaking Competition
17th September

We will again be hosting the semi-final for the Big Scrub public speaking competition. Our P&C will be operating a tuckshop with a sausage sizzle so if you can come along and help it would be appreciated.

Positive Behaviour for Learning
We are explicitly teaching our new rules of being ‘Respectful, Responsible, Caring Achievers”. This term we are focusing on ‘Caring’. By being ‘Caring’ we learn that:

- Kindness is a virtue
- Treat others as you like to be treated
- Cooperate with people
- Giving is better than receiving
- Care for others and yourself by being safe

Tattling
We have had some cases where students have been ‘tattling’. This is quite a concern because it sets a negative tone to the school. Students are encouraged to ‘tell’ teachers about issues that might harm or upset them but tattling just so the other child gets into trouble is simply trouble making and against our rules of being ‘Caring’. Attached to this newsletter is information about the difference between ‘telling’ and ‘tattling’. I would encourage parents to be mindful of this when your child comes home with stories from school. If your child has a genuine need to ‘tell’ something please contact the school immediately so we can sort the issue out.

Opals room
Our Opals have been working on their speeches for our Big Scrub competition. We will be presenting these next week.

Contract 23 in homework is due tomorrow.

Adam Hill performance
This Friday we will all be travelling by bus to the hall to watch a performance by Adam Hill. Goolmangar, Whian Whian and The Channon students will be joining us so it is not only an opportunity to watch a renowned performer but to also mix with other students who may attend the same high school as our Gems.

From the Department
Flu season is here!
Influenza is spread from person-to-person through the coughing or sneezing of infected people. Remind your child about these good hygiene practices to minimise the spread of infection:

- Anyone who is sick with influenza symptoms should stay home until their symptoms are gone.
- Cover the nose and mouth with a tissue when coughing or sneezing. Throw the tissue in the garbage bin after use.
- Wash hands often with soap and water, especially after coughing or sneezing. Alcohol-based hands cleaners are also effective.
- Avoid touching eyes, nose or mouth. Germs spread that way.

If you or your child develops influenza-like illness, seek the advice of your family doctor as you would with any other illness.
The seasonal influenza vaccine, which protects against the pandemic influenza strain as well as two other influenza strains, is now available free to eligible people. More information about the vaccine is available from the NSW Health Immunisation Unit’s [vaccination page](#).

Previous vaccination with the pandemic influenza vaccine, Panvax® is not a barrier to also receiving the seasonal influenza vaccine.

Michelle Stroud-Watts
Principal

**The Diamonds**
There have been a couple more additions to our class blog. This is the spot for viewing work that has been produced in an electronic format. Thankyou to parents who have added comments to the blog, your children enjoy reading them. This week we have been learning photographic and film skills to create a movie recount of what we do in a week in our classroom. We will be using this resource to remind ourselves of how much we do in a week when we produce our written recounts. This movie should be up by the end of next week.

Kind Regards
Barb Dobner

**Tuckshop**
Rostered for duty on Wednesday 3rd September 2014.
Serving: Beki
Cake roster: Kylie
Dish of Day: Beki

**P&C News**
Bunnings BBQ - this Saturday August 30.
Thanks to those parents that have nominated to do a shift for the Bunnings BBQ.
The roster is as follows:

7:30 - 10am
Kirsty
Melissa
Scott Boyd

10 am - 12 noon
Belinda
Liza
Scott Quinn
Louise

12 noon - 2 pm
Kylie
Angela
Nerida
Michelle

2pm - 4:30 pm
Sunny
Colin
Christen or Anna

We hope to see everyone there getting a sausage and supporting us, please be sure to let friends and family know as well.

**Next P and C meeting**
The next P and C meeting will be held on Thursday September 11 at the school at 5 pm, we hope to see you all there.
Kirsty Langdon
P&C President
In Art
The Opals have been learning to carefully observe and represent a picture using different media – pencil, sketching, crayon and paint. They have learnt different techniques to create texture, shading and how to make their work look real.

Mrs Close
