Grand Final Public Speaking 4th November

All of the Opals will be travelling by bus to the public speaking competition where they will see great quality speeches by students from around the Lismore area. High schools will also perform. Cost for bus is $5. The school will cover the rest of the cost. Please complete the attached permission note and return to school with payment by the Thursday before.
Broad brimmed hats
Every summer peak hats and baseball caps seem to creep on top of some of our Jiggi Gems. Students are only to play in the sun with a broad brimmed hat. I have told our Gems to not even bring these caps to school. They are not part of our smart looking uniform and do not adequately protect our students’ from the sun. Please reinforce at home by not allowing such hats to come to school. Thanks.

Play Equipment
Thank you so much to our awesome parents who spent countless hours and exercised their brute strength in erecting our play equipment. It looks fabulous. To thank you and to welcome our new teacher, Mrs T, we will be having a morning tea on Thursday 29th October at 11am. Everyone is welcome to come along and see our new playground and meet our new teacher.

Opals
The opals are trying their hand at tie-dying this week. They have been asked if they can bring in a plain light colour t-shirt or pillow slip that they can dye. Thank you.

*Life life Well* – We are going to attempt to hold a “Nude Food Day”. This means that we create no rubbish from our recess and lunch on a particular day. Many foods have their own natural wrapping or don’t need to be wrapped at all – just use a container. Let’s try to avoid pre-packaged snack foods (such as chips, biscuits, muesli bars etc.)

Diamonds
Jiggi Gems warmly welcome Blayke to our school. Blayke is settling well into the Diamonds class.

Lake Ainsworth
During our excursion to Lake Ainsworth we did awesome stuff. On Wednesday we did ropes.
I got paired with Jake. We learnt the dos and don’ts for safety. Then we got harnessed up and went over to the ropes course. Ben told us what to do. Then we did the course and I went first. I took about ten minutes. Then Jake went and he did the ropes course, slightly slower than me. After that we got second goes then we were finished.
Overall I had fun.

On our Excursion to Lake Ainsworth
On Tuesday afternoon at the playing field, we did Archery. We had a bow, I had a wooden bow. At first my arrows hit the ground and then I started to hit the target. You must put the odd feather on the top of the bow, pull the string back to your head, then let go. Well, that’s just about everything to know. I really liked camp.
