Harmony Day

Thanks to our fantastic parent helpers at our Harmony Day feast. How great to learn about peace and acceptance and to celebrate with food. Please be aware that some of our precious Gems are running or riding their bikes to school. Please keep an extra keen eye out for these little ones so they are safe to and from school.

Opals Excursion

I have booked the Opals into Lake Ainsworth for the last week of term 3 for three days. Cost is around $250.00. I will discuss possible subsidy with the P&C and get a definite figure soon.
School Plan

We are getting together on Friday afternoon to discuss the last two strategies for our school plan. Please feel free to come along at 3:15pm.

Science Day
Mrs Langdon is organising a science day for selected stage 3 students from our Big Scrub learning community. This will now be held at Lismore High School on Friday 27th March from 10am to 2pm. They will have access to a real science lab with science equipment. Very exciting! A note will be sent out to the selected scientists in the Opals room.
Have a great week.
Mrs Stroud-Watts
Principal
