Anzac Service
Thursday 23rd April, 2015

Please note that the Anzac service has moved to the first Thursday, 23rd April, due to the Terania cross country being moved.

Our year 6 will start the service at 10am followed by a whole school drumming performance. All parents and friends are welcome to attend and stay for morning tea after. Please bring a plate to share.

Anzac March
Saturday 25th April, 2015

Every year Jiggi Public School marches in the Lismore Anzac Parade. Attendance is decreasing. We march to
Term 1 – Week 9

represent our school and poor attendance is not a true representation of us. I am putting out an expression of interest this year to get an idea of how many students we will have marching this year and then make a decision if we will participate. I can understand families not wanting to march because we have such a great service here at school every year. As part of our service here at school, while we have all our students and guests, we could include a march. Please send back your expression of interest form next term by the first Thursday and I will advise in the newsletter. Alternatively you could email me your EOI.

Cross Country
Friday 24th April, 2015

The cross country has been moved to the first Friday of next term. This will be held at Caniaba Public School. Mrs Stroud-Watts will be attending with the Opals and we will be taking the bus. Ms Noble will be staying at school for those children not participating. All Diamonds who would like to participate will need to be supervised by their parents. Cross Country starts at 10am and will be finished by 1pm. Attached to the newsletter is a price list for the canteen.

Drumming
This term, instead of having our Clubs, Peter and Maureen Jaggle have taught our Gems drumming. I can see a big improvement in students’ coordination with beat. Thanks very much to Maureen and Peter.

Head Lice
We have had several cases of head lice this week. The holidays are a great time to get on top of this. Please check your child’s hair during the holidays and treat if need be. If we ever happen to notice head lice in your child’s hair we will give you a curtesy call. Holidays are also a great time to get your kids wormed.

Everyday Wisdom Forum
Years 5 and 6 Thursday 7th May

The YWCA are organising a forum for our years 5 and 6 students as an opportunity to learn from our current community leaders. This is a great, local, opportunity which I’m sure our senior students will greatly benefit from. Mrs Close will be attending with students. Parents will need to arrange transport to and from the event. A flyer is attached to those students invited.

Bus Behaviour
As mentioned last week poor behaviour on the bus will not be tolerated. Please read the attached letter from the bus company. The school fully supports any action that needs to happen to ensure safe travel for our precious Gems. Please speak with your child to ensure they are making positive behaviour choices on the bus.

I hope everyone has a happy and safe holiday. We look forward to next term. Mrs Close will be returning taking the Opals for three days a week and Mrs Langdon will be our support learning teacher for Tuesday and Wednesday. Thanks to Mrs Langdon for filling in for Mrs Close while she has been on leave and thanks for the fabulous science day you organised at Lismore High School last week.

Principal

After School Care
Wow! This term has flown by so fast and we’ve had a lot of fun during our afternoon sessions. We’ve enjoyed participating in group theatre games, experimenting with food dyes, and have been lucky enough to participate as extras in a high school film project. This was a very exciting experience for the children and I felt extremely proud of their acting skills and how well they focused and followed directions. I will try to organise for the children to see the end product once it is completed.
Monday afternoons have been going really well however it would be great to increase enrolments for this day to ensure it continues into the future. I currently have 2 spaces available for Mondays and 1 space available on Tuesdays.

I just want to remind families to cease payments over the holiday period. If you have already paid into the holiday period this will just cover you in advance when the next school term starts back.
Thank you to Nerida for donating some art and craft supplies, Joey and Junee for their generous donation of Mega Blocks and other games and also Jahmin & Beki for their toy donation. I really appreciate you thinking of us and the children absolutely love have new resources to play with.
I wish everyone a Happy Easter and safe holidays and look forward to seeing you all when school starts back.
Thank you
