Students of the week

Lilly-Eva – for being courteous and responsible

Taylah – being helpful and responsible

Whole school reward system
We have started our whole school playground reward system. A picture of a gem is hanging on our office door and students place stickers on it when teachers notice exemplary behaviour relating to our rules of being “Respectful, Responsible, Caring Achievers”. They certainly displayed this today at our Anzac service. Once the gem has been filled with stickers the whole school has a reward.

**Tuckshop on Mondays**

A reminder that tuckshop is on Mondays. Thanks to all our parents who run this and bake delicious goodies for our students.

**Monday 27th April**

Please note there is no public holiday on Monday 27th April.

**Anzac Service**

Once again our Jiggi Gems made us all very proud. They were so solemnly respectful, marching to the beat of the drum behind the Jiggi flag, sitting and listening to the speeches and participating in an impressive drumming performance. Thanks to our parents who attended and thanks to our teachers who helped with rehearsals. Thanks once again to Mrs Mac for the lovely floral arrangement with the wreath. Well done Jiggi Gems!

We will not be marching in the Anzac march in Lismore this year. We all participated in our own
march and some students are looking forward to being able to watch the Lismore march. We will need to discuss whether we want to participate in, or watch future Lismore marches at a P&C meeting later in the year.

Opal Excursion
The Opals are going to Lake Ainsworth on 14\textsuperscript{th}, 15\textsuperscript{th} and 16\textsuperscript{th} September. Please be aware that the cost is around $252.00 per student. I will be discussing subsidy with the P&C at the next meeting. Please be aware that this expense is approaching.

Asthma plan
Students who have asthma need an Asthma plan for school. If your child experiences asthma we need to know how to treat it. We also need a puffer for them if applicable. Please provide an asthma plan to the school by next Thursday if your child has asthma. If you need help finding an asthma plan or assistance completing the form please contact the school.

Everyday Wisdom
7\textsuperscript{th} May
Our year 5 and 6 students have been invited to attend the Everyday wisdom Forum in Lismore. I have sent the brochure out again. Last term I asked for nominations from students in years 5 and 6 to see who would like to attend this event. So far I have heard back from one student. Please complete the attached permission slip and return by next Thursday. Parents will need to arrange private transport.

Smart Futures Careers Market Expo.
26\textsuperscript{th} May- Nimbin
Our year 5 and 6 students have also been invited to a Smart Futures Careers Market Expo toward the end of May. I will give more information when the time draws closer.

Cross Country
Tomorrow
Our Opals will be travelling by bus to Caniaba tomorrow for our Terania District Cross Country. It is expected that all Opals attend, even if they are not participating so they can cheer on their school team. Students will need their uniform, broad brimmed school hat, drink bottle, lunch and recess. Any Diamond students who would like to come are welcome, with their parents supervising.
