Tuesday 26th May
Smart Futures Yr5-6
Nimbin Central School

Friday 29th May
Special Interest day
Whole school

Week 4 Term 7

Friday 5th June
Biggest Morning Tea

Positive Behaviour for learning
Our focus for the last few weeks has been ‘being
derderfulness we can'
children to respect our peers and how when we
are kind to others we get that in return. Students
have participated in discussions about how we
can't change anyone else’s behaviour except our
own.

Good luck to Eloise who will be running at Corndale
next Friday. Mrs Close will be attending this day.
An opportunity to attend a workshop on dealing
with aggressive and difficult people has come up so
I will be going to that.

This Sunday our teachers will be attending a
workshop on ‘Visible Learning’. The workshop
carries through to Monday so Mrs Langdon will be
teaching the Opals and Mrs Elliott will be teaching the Diamonds. I will be in Sydney doing a course on leadership.

Nimbin Careers Day
26th May

Our year 5 and 6 have been invited to attend the careers day held at Nimbin on Tuesday 26th May. They will be involved in introductory activities and then be able to talk to ‘career experts’ who are made up of representatives from local businesses and services. This is hoped to develop their interest in linking their high school learning to an exciting future beyond school. The day starts at 9.30am, BBQ lunch will be provided and the day will finish after lunch which is at 12.30pm.

Special Interest day
Whole school 29th May

Our Big Scrub learning community are having their special interest day on Friday 29th May. Students in years 5 and 6 will be going to Blakebrook for a science and maths day, students in years 3 and 4 will be going to Caniaba and Kinder, year 1 and 2 will be going to Coffee Camp. Ms Noble will be going to Coffee Camp and I will be going to Blakebrook. Linda will be going to Caniaba. A bus will be organised.

Live Life Well
Live Life Well is a Health Department program to encourage healthy ways in our children and community. As part of this we have set up our rubbish bins at school for food scraps, recycling and waste items. It is great to see the children checking the posters or asking which bin to us if they are unsure where to put their rubbish. More children are using containers or zip-lock bags for their food which can then be washed and reused. Well done! Thanks to the parents who encourage their children to reuse these bags instead of throwing them in the waste bin.

Sandra Close

Opal’s room

We have been looking at adjectival and adverbial clauses and seeing how these help us to understand characters. They give depth to our writing. We are still reading ‘Wonder’ and have looked at the author’s use of figurative language. We have also been learning about equivalent fractions. Contract 12 is due tomorrow and this week we have focused on the 8 times tables.

Tuckshop
Rostered for Monday 18th May 2015
Baking – Tabatha McMahon
Serving: Melissa & Hazel
If parents have any fruit they can donate to tuckshop it would be much appreciated.

P&C

P&C meeting will be held today Thursday 14th May at 5pm. All welcome.
