Diamonds sleep over

Our great excursion is imminent. Today we have spoken about the activities and expectations for camp. This will be a fabulous experience for the children and I expect them to approach everything with an open and positive attitude. I expect all children to show respect for the camp staff, other visiting schools and the camp environment and equipment. This is an opportunity for making lasting memories and new skills... so make the most of every moment! Please check your list of things to take and I will see you at camp at 9am on Monday ready for action. Pick up time is between 1-1.30 on Wednesday. Mrs Close.

Jiggi Fair

What a wonderful day we shared at Saturday’s Jiggi Fair. Goes to show what a band of fabulous energetic and resourceful parents and friends can achieve together. Congratulations and thank you for your commitment and dedication to promoting our community’s spirit, ensuring a sense of belonging and connection and a invitation for all to join together in friendship. Jiggi Gems did themselves proud singing
several items on stage for their families and friends. Well Done.

Supervision
A reminder that supervision of children within the boundaries of the school commences at 8.30am. We are concerned about the safety of children arriving before this time.

Channon Sports day
Congratulations Jiggi Gems, our wonderful parents and Barry, for a most rewarding day of sport and friendship at the Channon’s Games day last Friday. Jiggi Gems chose between soccer, T-ball and Danish Rounders and played up to five games during the day resulting in many falling asleep on the bus trip home. The emphasis for the day was participating non-competitively, meeting other students from about nine other schools in our region and to have fun in the sun.
A most enjoyable day for all.

Storywriting By Students.
On Friday the 4th of September the school went to the Channon Teams day. Barry drove us and we got off the bus and the teachers took us to where we put our bags. Barry and the teachers took us to where we were playing. Mrs Noble was umpiring the t-ball and Mrs Close was umpiring the soccer. Also, Barry was watching the Diamonds play Danish rounder. I played 3 games then it was recess. After recess everyone left with their supervisors. I was captain of the t-ball team. We also played more games. We played the same school three times, then it was lunch. After lunch we played more games and then Barry told us to get on the bus. I had a great day and would do it again. By Seddah

Lice Alert and Conjunctivitis
Lice and conjunctivitis is rife in our school again!! Please check your child for any symptoms and treat accordingly. Ensuring a named hat is at school each day for your child is crucial in eliminating nits and especially as our days are warming up so quickly.

School Disco

Our school disco will start tonight at 5pm and finish at 6.30pm. Children are encouraged to dress up in something beginning with C. Students will be fully supervised during this time however, if any inappropriate behaviour occur during this time parents will be rung immediately to pick up their child. We ask that you pick up your child promptly at 6.30 please.

Diamonds News
Early days I know but, The Diamonds and I have discussed our plans for the ‘sleepover’ on the 15th September. We are most excited! We will undertake a theme on ‘Space” prior to the night spent at school studying the stars, planets, comets, black holes etc. Consequently, the children and I planned our activities to include ‘Alien Spacecraft Junk are constructions, the use of a night camera and telescope to track the moon and stars, games, an ‘Alien Dance off’ and a film night. Diamonds are invited to bring a torch, teddy bear, toothbrush & bedding and can wear casual clothes on the day of our sleepover. Diamonds will need to bring lunch for the day but dinner, supper and breakfast the next day will be provided kindly by the P&C.
Ms Noble

Next Term
We have a public holiday on 5th October and students and teachers return to school on Tuesday 6th.

Storywriting from the Diamonds
On Saturday my family and I went to the Jiggi Fair. There was a jumping castle and good food for sale. It was fun. There was a lot of people and there was lots to drink. There was a playground as well as a person doing face painting. We did it to raise money and to meet other people and it was real fun. By Asha.

I went on the jumping castle. I went upside down and slid down the slide. I got my face painted and it was really cool. I had fun with my friends. Then we went to get Yu-gi-oh cards. We went to Book club after that. By Askel

I went on the jumping castle and it was free. I had lots of goes. I saw puppy dogs. I ate pies and got my face painted. I showed dad the chocolate
crackles I made for Fathers day on Skype. He was happy. By Livinia

We went to the Jiggi Fair and I went on the jumping castle. The jumping castle was fun. We spyped on the teenagers it was fun too.
