**Just 4 Kids Children’s Charity Motor Trail Event**
Next Monday about 22 people will be visiting our school for lunch. Our P&CC will be running a BBQ hamburger store for lunch. Our visitors will arrive at about 12pm. “Just 4 kids has many years’
experience with our major fundraiser, being the motor trail event. We have visited dozens of schools all over Queensland, and interstate, either for breakfast, lunch or dinner functions. It is a great way for us to help support small schools such as Jiggi and also a lot of fun for the children – yours and ours. The children love the cars and having visitors, and it is very good for our kids to experience something different along our motor trail route.”
Just 4 Kids will pay for lunch and also give a donation to the school.
Our students will pay $4 for a hamburger, $2 for a sausage sandwich, $1 popper & $1 for a slice of cake or biscuit. Parents are asked to donate a cake, slice or biscuit for this fundraiser.

Clubs
Thanks to all our club helpers. Our last day of clubs will be next Friday.

Opals
This week the Opals have been very creative in their writing, building tension using their senses.
They have written some amazing pieces of writing and we look forward to sharing some of them soon.

Congratulations to Tye who went off to the Northern Rivers basketball selections this week. He was up against 40 students across the Northern Rivers and although he did not make the next level we are proud of his efforts.

Congratulations to our relay swimming team who made it to the next level, Regionals. Unfortunately Regionals are in Kempsey which is a little too far to travel for one race. Millie, Jake, Ivor and Johan should be very proud of this effort. We are proud of you!

Remember – bring in an old shirt to be stored away as a paint shirt.

Sporting team selections
As this term and next term progresses there are sporting opportunities for students in Year 5 and 6 to attend selection trials for various sports. These are not compulsory activities. It is a parent’s choice whether their child attends.
There are two different selection trials that will be offered – Northern Rivers selections and Terania District selections.
At a Northern Rivers level most sports are offered to both girls and boys, including hockey, soccer and AFL. Northern Rivers sports trials take place in various locations across the Northern Rivers zone, as far as Yamba. If your child attends these trials and is successful, they may be selected to attend another trial for North Coast selections. These trials can be as far as Grafton and Kempsey. From here North Coast teams are selected to play at a state level carnival which can be as far as the NSW/Victoria border. These are great sporting opportunities but families must be committed from the start and prepared to travel if your child continues the selection path.
I will send notes home with students who are interested in these trials as they come up but it is parental choice as to whether your child attends.
Terania District trials – These trials are for boys and girls from Year 4 to 6 with soccer and softball being the two sports on offer. These trials take place at Blakebrook School during school time. Teams selected here play matches in the knockout competition.
If you have any questions in regards to the trials, please don’t hesitate to contact me at school.
Please see attached permission note.

Just 4Kids Lunch

On Monday 7th March our school will receive a visit from Just4Kids Charity Group. They will arrive on their bikes and stay for lunch with the students. The P & C are providing lunch for them, which they will pay for. This means that there will be a special lunch menu on that day. Our kids will be offered either a sausage sizzle for $2 each, or a hamburger for $4 as lunch order items. Drinks and snacks will be offered as usual. We ask that families donate a baked treat, such as a cake or slice that day to contribute if you can.

Easter Ball

The Easter Ball will be held at Jiggi Hall on Saturday 19th March from 7.30pm.

Delicious food provided will feature the flavours of Mexico, catered by Louise and Gary.

Each ticket includes the meal, a free drink and entertainment by locally renowned band BlueSkillet, who recently played at Woodford. A bar will also be available.

There has been a request for a child-minding service to be made available on the night. We would like to hear from any families who would use this service so that we can see if it is a viable option and work out details.

Please contact Angela on 0459 230 978 ASAP if you would like this option.

We are also looking for volunteers to help set up and decorate the hall on the Saturday morning. If you have lights at home that could help set the tone for the night, or have other ideas please call Angela. One idea is to collect empty food cans (eg. beans, tinned tomatoes), and punching holes in them in a pattern for lights or candles to shine through, fitting the Mexican theme. Big, bright flower arrangements from home gardens would also be welcome.

Get some friends together and buy your tickets for a fantastic night out!

Tickets are available from the school & can be paid for by direct deposit to the P&C account. When paying please remember to include your name.
